Matt,

As we informed you on May 18 and reiterated on May 27 and June 2, we would be happy to meet and confer regarding any objections to our expedited discovery. Given your failure to respond to any of these invitations until this afternoon, we are left with one day to engage in the meet and confer process mandated by the court. Please let us know your availability the rest of today.

In order to make our meeting as productive as possible, please identify which items identified in our June 2 letter you are willing to enter into stipulations about. It would also be helpful if you could describe the burden you are now claiming you face in responding to our discovery.

Best,
Ellen Leonida

I am just now able to get to your 6/2/22 letter. Hopefully, we can agree to some of these items, but I can't promise.
